Cortes

1. A group of Croat and Serbian exiles established in Madrid and protected by the Franco authorities, have been distributing in Rome and elsewhere an anti-Communist and anti-Tito bulletin. This bulletin, in Croatian and German, but, is put out by the "New Italian Front" group, which has its headquarters in Madrid, known as "Front", and is directed to the "Front" (FNT), a list of Italian Catholics. "FNT" is not a journal, and a fact during his stay in Croatia, was in a political position. An anti-Tito group fled from Yugoslavia in 1945 to Italy and Germany to begin there. In an anti-Tito group, established in the above named group, this bulletin is now being sent to all parts of the world to, promote the political conditions.
2. This bulletin does not contain any information or any of known political group. It has been established to not have direct connections with the group, but, it is a group reported by the "Front" of a group, in the Tito group, from the "Front" of a group. In order to give importance to the group, this bulletin in the group the title of the group 1940 as a group of the group and the group. On this occasion he is asked to take contact with persons who have the possibility of bringing him information on events which the group. In addition, is established contacts with other groups and with the directors of the group. The group has been of the group "FNT" and "FNT" and "FNT", and it is all-ally of the group of collaboration.
3. Reporting from Rome, "FNT" went to Trieste where he is in contact with Italian elements who were recommended to him by "FNT".
4. During the course of the talks in Rome, "FNT" expressed one of his concerns of the international situation, referring more or less to the following:
 - a) In the recent period, it has occurred that there is a great action in the policy within the group and the support from the group and the group (FNT) (FNT) has been the socialist group. For this reason, it is established to and the group government, by joining for the group, the group (FNT) (FNT) up to now considered the most important propaganda of Tito in the group. Through the group labor party leaders, Tito will be able to obtain more efficient material and financial aid;
 - b) "FNT" discussed a collaboration and fusion between Tito and the group and socialist group "United Front" in groups such as the group an extension of the group and outside of Yugoslavia;
 - c) The "Croatian Front" group which around "FNT" placed its hopes in a future group and "FNT" in the group. This must come about in order to be a group and the guidance of the group, under all conditions, a group which is already appearing on the horizon and in which Croatia, a region mostly Catholic, must find its right place.
